

## CME (Continuous Medical Education) Programme

CME (Continuous Medical Education) Programme is organised date on 16.03.2023 at ESIC Hospital, Ankleshwar in the chairmanship of our Medical Superintendent Dr. A.K. Kumar and lecture delivered by Dr. Malav Patel (Specialist Medicine) on the topic of “Insulin Co-formulation, Clinical Advantages and Value proposition in Indian setting”.

Dr. A.K. Kumar (Medical Superintendent) further specified the role of this Insulin Co-formulation for latest management protocol as per benefit of our IPs and beneficiaries for our social security scheme.

This social security scheme is the largest health care scheme in the world. IPs and beneficiaries will be at par as standard of western world diabetics management at ESIC Hospital, Ankleshwar.

During the programme Assistant Medical Superintendent, all Clinical Specialist, Medical officers and residents were present.
